DOMESTIC USE

slipStream® POWER HOUSE

The perfect set up for a home owner with frequent pressure washing projects.

Our SlipStream Power House 3200-PSI Pressure Washer combines with our best- selling Eco Spin Surface Cleaners, for a fast and thorough patio and driveway clean. Providing 220 Bar / 9LPM worth of power, the Power House is an excellent way of getting to and thoroughly cleaning patios, driveways, paths, block paving and more!

This 3200-PSI Petrol Pressure Washer with 9 LPM features five nozzles, two detergent tanks, a 7.6m high-pressure hose, comfort-grip gun and an axial cam pump for consistent cleaning.

The 3200 PSI Pressure Washer comes with five quick connect nozzles for a variety of applications – 0°, 15°, 25°, 40°, soap.

Extend your reach with the included 7.6m high-pressure hose and use cleaning detergents hassle-free when you connect the 1.2m detergent hose with the two handy onboard 1.9 litre detergent tanks.

A high quality Annovi Reverberi axial cam pump ensures steady nozzle pressure for consistent cleaning performance.

The durable steel frame is built to last. Powered by a 224cc Slipstream Power House single-cylinder OHV engine with a 3.4 litre fuel tank and designed with a low oil shut-off sensor, this unit has a 0.6 litre oil capacity (recommended 10W-30).

slipStream® POWER HOUSE
