DOMESTIC & COMMERCIAL SURFACE CLEANER

slipStream® Pro 30

Being able to cover up to 1000m² per day, the Pro 30 is ideal for both commercial and industrial cleaning. Powered by 18HP Briggs and a Stratton Vanguard petrol motor, the Pressure Washer delivers an impressive 30LPM water flow, 1275bar and 2900PSI, making it the perfect choice for facility managers and exterior cleaning professionals.

The SlipStream Pro 30 is the newest and most powerful member of the pressure washer family, and is ideal for large scale commercial jobs. With 30 litres per minute passing through the pump, this facilitates a huge 36” (920mm) Surface Cleaner with two double jetted rotary arms, for truly unrivalled cleaning capabilities.

The Pro 30 is the perfect addition to any exterior cleaning business and can tackle a variety of areas including car parks, pathways, patios, paved and concrete driveways, block paving and more.

Following on from the hugely successful range of Slipstream™ Pro pressure washers, the Slipstream™ Pro 30 is the newest and most powerful member of the pressure washer family, and is perfect for serious commercial cleaning jobs. With 30 litres per minute passing through the pump, this facilitates a huge 36” (920mm) Surface Cleaner with two double jetted rotary arms for truly unrivalled cleaning capabilities.
